# *The Rhode Island Equitation Championships*

Dear Friends,

It's hard to believe that it's been 27 years since the first Rhode Island Equitation Championships. What started as an event to honor Mini-Medalers and Juniors and to give them the exposure and experience of regional and national competitions has grown to become an important regional competition. Attracting riders from all over New England, it is a mark of distinction and honor to qualify for the Championships. Congratulations to all of our qualifiers on a job well done.

This year we've made some minor changes to the schedule to make it easier for riders to take the written exam for the Horsemanship competition. As we did last year, we are including the classes in the Dover Saddlery Horsemanship Challenge in the calculations for determining the Trainer's Award. This is being done to increase the emphasis in and the Committee's commitment to rewarding well rounded horseman. We've also added a High Score Award to be presented to the rider who receives the highest score in any Classic or Medal class.

Qualifying for the finals is truly a team effort. It is a team that includes not just horse and rider but trainer, groom, family and friends as well. We hope that all of our qualifiers will take a moment to thank all the members of their team that helped them get to this Championship.

Our sponsors are also key team players for the Rhode Island Equitation Committee. Without their generous support year after year, these Championship Finals could not have successfully grown as they have. We hope that you will take an opportunity to thank the many contributors that have made this show possible.

Good luck to everyone at the 17th annual Rhode Island Equitation Championships!

## *Greetings from Governor Donald L. Carcieri*

As Governor of the State of Rhode Island and Providence Plantations it is an honor and a pleasure to welcome you to the Rhode Island Equitation Championships at the University of Rhode Island.

Since 1980 this event has steadily grown. From its beginnings as a competition for "mini-medalers" and Juniors, the Rhode Island Equitation Championships have expanded to include medal competition for all ages and a horsemanship competition that stresses horse care and knowledge as well as riding ability. Competitors from the Southern New England area, including Rhode Island, Connecticut and Massachusetts, are now joined by those from New York, New Jersey, Vermont and New Hampshire. It is a mark of distinction to qualify for the Championships, and you should all be congratulated for a job well done.

While you are here , I hope that you will have the opportunity to visit other parts of our great state. With over 400 miles of pristine coastline, world-class restaurants and lodging, and a tremendous historical legacy, Rhode Island has something to offer everyone.

Please accept my best wishes for a memorable event and warmest regards to all.

Sincerely,

Donald L. Carcieri
Governor
